C. Development Plan (to be jointly accomplished by the Supervisor and Faculty)

Areas for Improvement
Improve clarity and structure of lectures, and enhance instructional methods to foster active learning and reduce reliance on AI tools.

Proposed Learning and Development Activities
Use more examples and visual aids. Develop structured lesson plans with clear learning objectives and key takeaways. Integrate interactive teaching strategies to promote student engagement beyond student-led reporting. Minimize reliance on AI tools during class time, focusing instead on direct instruction and guided practice. Provide regular opportunities for questions and clarification during lectures.

Action Plan
Professor Cabrera will review and revise lecture materials for improved clarity and structure, incorporating diverse teaching methods and reducing AI tool dependency. She will seek peer observation and feedback on instructional delivery.
